enameliteglass is an Australian owned company proudly specialising in a comprehensive range of coloured glass to enhance your home and office.

We are pleased to offer our selection of exclusive designer glass for your consideration. Take a few moments to browse, and let your imagination run free.

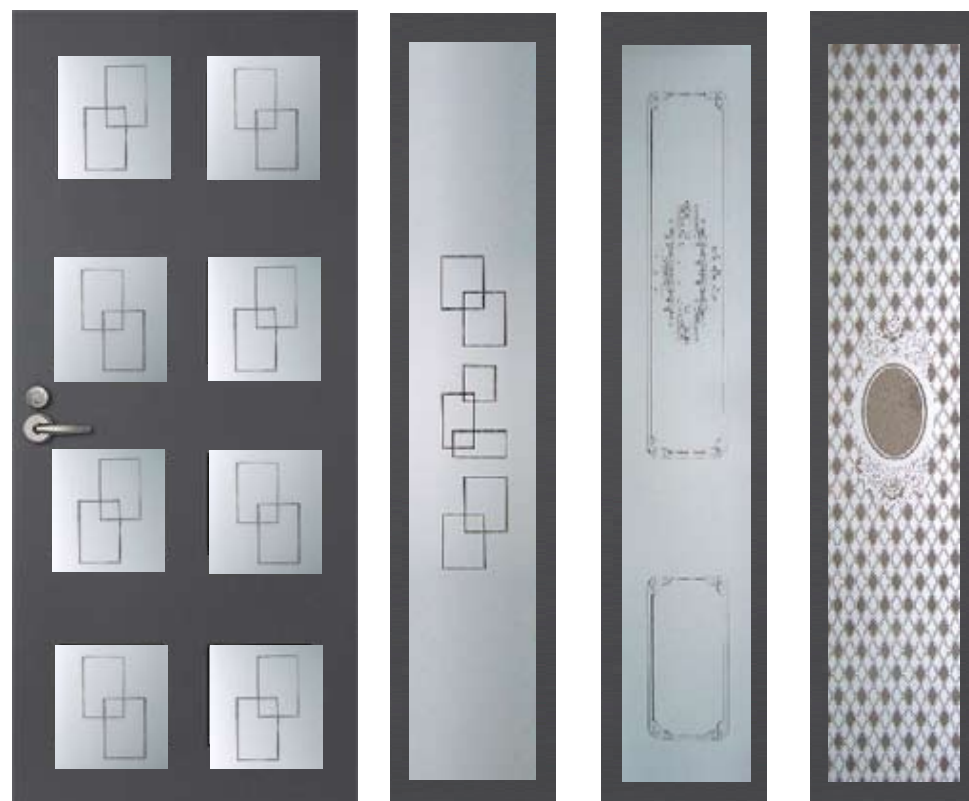

All products in the enameliteglass range are unique, durable and maintenance free, providing unequalled versatility at an affordable price. Quality and workmanship are second to none, with continued success based on complete customer satisfaction.

**INSTALLATION**  
It is recommended that all enameliteglass be glazed with the coated surface to the inside.

**CARE AND MAINTENANCE**  
To clean, simply wipe over with a damp cloth. Avoid all acid based cleaners and abrasive products.

**GLASS PROTECTIVE FILM**  
Panels can be wrapped in a protective film that enables you to paint your door without coating the glass. Simply score the film when finished and peel off.

**GLASS SIZES**  
All panels displayed are available in 1200mm x 305mm x 5mm thick as standard, cut down to size accordingly.
